Dear Mr. Levy,

We would like to offer our personal thanks for your contribution in support of חינוך לפסגות. Your support will allow us to offer enrichment opportunities to children whose parents cannot afford to send them to after school programs.

The program you helped to fund gives needy children a chance to expand their horizons and develop their talents. It gives them a chance to explore and discover who they are, what they enjoy and how they can succeed.

I am grateful for your partnership with the Qatzrin Foundation, and hope that we will continue to be full partners in the children's happiness.

You have an open invitation to visit Qatzrin. Again, thank you for your kind-hearted support.

Sincerely,

Sami Bar Lev
